

# CINEMAGIC WORKSHEET

**PLEASE COMPLETE THE FOLLOWING TASKS AFTER YOU HAVE WATCHED ALL THE FILMS IN THE PROGRAMME.**

## **1 TASK: CREATE CATCHY TAGLINES FOR THE SHORT MOVIES**

Taglines are enticing short phrases used to advertise and sell a movie; and to create a buzz around a new release. Many are used as bite-sized tools to sum up the plot, tone or theme of a film. Famous Tag-Lines include – “To Infinity and Beyond” (Toy Story) and “A Long time ago, in a galaxy far, far away” (Star Wars). Choose one of the films you have watched and create your own catchy tagline.

## **2 TASK: DESIGN YOUR OWN FILM POSTER**

Now design a poster for the movie you chose in Q1. The design can be anything you like – maybe your favourite character or a scene from the film. Remember to include the name of the movie in your design and the tag-line you created.
